

Auction and HalloWine Tasting

October 28, 2011 5:30pm-9:00pm

Mirabeau Park Hotel & Convention Center

Sponsorship Request

The Inland Northwest Business Travel Association (INBTA) will hold its annual auction on October 28th. INBTA, a non-profit association, supports the education of its members through this fundraiser. INBTA is a chapter of Global Business Travel Association (GBTA) whose members represent major corporations and travel suppliers. Both organizations, working together, provide members with information on the latest technology and service advances within the travel industry, as well as current legislative issues and industry hot topics.

INBTA is pleased to announce that the **Northwest North Pole Adventures' "Spokane Fantasy Flight" (NNPA)** has been selected as our charity this year. NNPA is an organization that provides a magical trip to the North Pole for 60+ specially selected kids aged 4-12 chosen from the area's shelters and community programs for an evening of wonderment and surprises. NNPA's mission is to host Christmas holiday events for the underserved children of the Inland Northwest. "Fantasy Flight returns, if only for a few hours, the magic and wonder of BELIEVING in something fantastic, wonderful and loving with nothing required in return." See <http://spokanefantasyflight.com>.

Your support and donations will help to make this year's auction the most successful yet!
